Multi-Media Assemblies and Materials

madd Canada's Multi-Media Assemblies brings high-energy, drug and alcohol awareness and risk reduction messaging to the world of education.

***DAMAGES* - now booking for 2011-2012**

Damages, madd Canada's 2011-2012 multi-media presentation is towards students in grades 7-12 and is played on a giant a powerful sound system.

Damages is a fictional story that opens in a courtroom where we meet Jesse, a young man who up until recently had a promising future. Jesse has been charged with impaired driver who caused a horrific car crash. Throughout testimony we are shown flashbacks to the night of the crash and we close the presentation with stories from real life victims. We watch as they describe how impaired driving has changed their lives forever.

For more information or to book a show:
